LUMMI ISLAND BURN RULES AND REGULATIONS

TOTAL BURN BAN

No burning period! LPG and charcoal barbecues are acceptable, wood fired barbecues are not allowable due to fly ash.

BURN BAN

Recreational fires only. 2' x 2' well contained barbecues or barbecue pits with a cleared area and beach fires below the driftwood line are OK.

PERMITS POSTPONED

All permits issued for Lummi Island including Silvicultural and Agricultural Permits Issued through the DNR and NWAPA are suspended until Fire Danger Rating Drops to Moderate.

PERMITS REQUIRED

Permits are issued through the Lummi Island Fire Department between 9 AM and Noon, Monday through Thursday except during burn bans. See Fire Danger Rating on reverse side for permit requirements. All permits for fires over 10' x 10' require a site inspection. **PHONE CALL REQUIRED.**

PERMITS NOT REQUIRED

Depending on Fire Danger, fires under listed size do not require permits, courtesy phone calls are appreciated prior to burn for any non recreational fires not requiring a permit.

BURN BARRELS

These have been outlawed by State Law.

PERMITS MAY BE REVOKED AND FINES ISSUED FOR VIOLATIONS OF ANY OF THE FOLLOWING RULES:

- ? **PERMITTED AND NON PERMITTED:**
- ? **LEAVE NO FIRES UNATTENDED!!!**
- ? Clear a firebreak around burn area of at least one and a half times of the size of pile to be burned.
- ? All fires under 10' x 10' require an adequate source of suppression water, a hose that can reach around pile, a shovel, a rake, a working telephone, and 1 person attending at all times.
- ? All fires over 10' x 10' require at least 2 people attending at all times, with 2 hoses, 2 shovels, 2 rakes, an adequate source of suppression water, and 1 working telephone.
- ? All fires over 15' x 15' require 1 piece of heavy machinery, adequate fire suppression water with delivery system capable of suppressing any fire or fire spread and personnel to operate equipment, 1 working telephone.
- ? Equivalent fire suppression personnel or equipment may be substituted only with onsite inspection and only at discretion of LIFD Fire Inspector.
- ? If permit required, have a valid permit.
- ? **RECREATIONAL FIRES:**
- ? Barbeque pits must be contained by rock, concrete, or steel and have a cleared area around them.
- ? Beach fires must not be in or above driftwood areas.
- ? No Fires below overhanging branches
- ? **PROHIBITED MATERIALS and ACTIVITIES:**
- ? Asphalt, Plastic, Styrofoam, Asbestos, Garbage.
- ? False Alarms.
